

Ubiquiti Return Material Authority (RMA) Form for Warranty Claims
--

Instructions:

- Complete all sections except RMA Number
- Fax or email to the company from which you purchased the Ubiquiti device
- Wait for a response with your RMA number, and return shipping instructions.

<p>1 - Terms and Conditions</p> <ul style="list-style-type: none">• No warranty claim is accepted without this form which must be completed in full.• The receipt of goods by <i>Freenet Antennas (or agent)</i> is not an acceptance for credit, replacement or repairs.• The customer is liable for safe and full packing of the items shipped.• The customer is liable for all shipping, freight and insurance charges to and from <i>Freenet Antennas (or agent)</i>.• The customer is to include return shipping/postage with the returned goods. Generally this is in the form of Australia Post pre-paid products such as Parcel Post satchels, or customer's pre-paid courier satchels. If the customer does not include pre-paid return postage, returned goods will be shipped back via Registered post at customer's expense.• Testing involves resetting your device to factory defaults. Custom configurations will be lost.• Expected turn around time for the products is 5 to 10 working days.• Warranty is void if goods are tampered with or are physically damaged, even when in transit• If a customer returns a product that is found to be working, a minimum charge of \$20.00 applies.• Customer must provide credit card billing information on submission of this form. <p>Read and Understood : _____ X</p>
